## Crime Prevention Action Fraud National Fraud & Cyber Crime Reporting Centre Will 0300 123 2040 Will

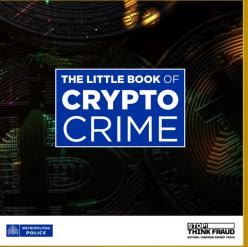

Fraudsters will go to great lengths to convince you they are legitimate, impersonating people or organisations you trust. Check out the @homeoffice'snew campaign #StopThinkFraud to spot the signs of fraud and protect yourself.

Fraud costs the taxpayer an estimated £6.8 billion per year. Our new campaign takes the fight to criminals, giving you the skills to spot fraud and protect you from its devastating impacts.

Have you received a letter or invoice for a service you don't recognise? This can be the first sign of identity fraud. Follow the @ukhomeoffice's checklist to help victims and organisations repair their identity and prevent re-victimisation.
